Subject: C4Gas qualification for the supply of steel pipe coating for natural gas and hydrogen.

Dear Mrs Obertin,

In accordance with our Qualification System Rules, we are pleased to send you enclosed your "Acceptance Certificate".

You will find enclosed your qualification certificate(s) for each production mill(s) referenced as follows:

COAT-0033

This document(s) state(s) the range of qualification and its limits.

During the validity of your qualification, you have to provide C4Gas with updated documents as requested in the rules of qualification.

We remind you that it is your sole responsibility to keep C4Gas informed of any modification made to the already provided answers, basis of your current qualification. You must inform C4Gas of any change (commercial & technical) which can impact the production of C4Gas requirements. Noncompliance with this rule, can lead to your qualification suspension.

Yours sincerely,

Odile CAZENAVE
CEO
